ABOUT US

NNk Enterprise Limited established in 2020 in New Zealand, deals in exporting premium Newzealand honey, Manuka Honey and herbal beauty products with different varieties.

We are dedicated to giving quality assurance for our products. For our honey products, Our state of the art facilities ensure that every jar of honey meets the highest standards of purity and taste. We are able to do bulk wholesale and retail packaging. We are also a manufacturer and supplier of herbal beauty products which are based on ayurveda's principles.

All of our products are natural and free from any chemicals and artificial additives. At the moment for our herbal beauty range, we have herbal face cleanser, herbal face toner, herbal face serum, herbal face oil and herbal face cream which are absolutely

Vegan and free from any synthetics. We are able to provide you with 500 units of each beauty product.
